Seven Card Stud Poker Strategy Tips. As we have stated, seven-card stud is an intricate game, and determining the best possible play in a given situation involves numerous factors.

This book is a common sense, step-by-step guide for low to medium limit players to win consistently at both casino and home games. Players learn the latest strategies for winning at \$1-\$4 spread-limit up to \$10-\$20 fixed-limit games.

Seven-card stud is a popular (and easy) poker variant. Players are dealt two cards face down, then one card face up—you're allowed to look at your face down or "hole" cards. Betting goes ...

Seven Card Stud Poker Starting Hands. There are four main categories of starting hands in seven-card stud: Three of a kind, also referred to as rolled-up trips; big pairs; small and medium pairs; and the drawing hands.

When I was starting out in 1992, seven-card stud eight-or-better — a.k.a. stud hi-low — was being touted as the game of the future, and it was spread in many poker rooms.
