

Download A Beginners Guide To Whittling

“Whittling” by John Pierpont. Whittling is a great pastime for the man who wants to craft something, but may not have the room or tools to say, build a dining room table. Or for the man looking for something meditative to help him center his thoughts. Or simply for the guy who wants to while away time on a camping trip.

Whittling for beginners. I was given a whittling knife a few years ago by my sister, as a gift for being her bridesmaid. (She knows me well!) It comes with me on every camping trip and I love trying to work with the different wood types that might be lying around.

Whittling is an ancient woodcarving art using a carving knife. Whittling means producing sculpture not detailing a piece of woodcraft. What makes whittling special is the visible knife stroke on the final result that can give natural look. This kind of art can be a complicated job for some craftsmen, especially the beginners. Worry not! Here we elucidate for you the ultimate guide of whittling.

What exactly is whittling? Whittling, by definition, is the shaping of wood by repeatedly scraping small bits of it away. This is distinctly different from something like carving, where one uses a chisel and mallet.

Links in description! I go through tools you you will need, techniques to use, and give some examples of projects to work on at the end. All-in-one Carving P...

A guide to types of wood, knives and their care for those wishing to learn about whittling. Have you ever thought about whittling? Pictured yourself sitting on the front porch in a rocking chair with a knife and a piece of wood watching the neighbourhood activity?
