

# Download Age Anger History Pankaj Mishra

The "Age of Anger" explains the roots of today's populist movements in a way unlike any other book. The author, Pankaj Mishra, traces the roots of today's movements back to the arguments between Voltaire and Rousseau.

The Age of Anger: A History of the Present, by Pankaj Mishra, traces the current unrest in the world to a Nietzschean resentment (the morality of the defeated which gets twisted into a destructive, transformative force) that he thinks has been festering since many countries moved to an industrialized economy.

Age of Anger: A History of the Present is a 2017 nonfiction book by Indian author Pankaj Mishra. Mishra accounts for the resurgence of reactionary and right-wing political movements in the late 2010s.

One of our most important public intellectuals reveals the hidden history of our current global crisis. Modernity, secularism, development, and progress have long been viewed by the powerful few as benign ideals for the many.

- The Age of Anger by Pankaj Mishra is published by Allen Lane (£20). To order a copy for £15.99 go to [bookshop.theguardian.com](http://bookshop.theguardian.com) or call 0330 333 6846. Free UK p&p over £10, online orders only.

Review "Mishra may well be the ideal writer to diagnose our current moment . . . In Age of Anger, Mishra has produced an urgent analysis of a moment in which the forgotten and dispossessed are rising up to challenge everything we thought we knew about the state of the world." ?Sebastian Strangio, Los Angeles Review of Books

Pankaj Mishra identifies the unifying root cause of all of these things that we deem unintelligible and random, to reveal the unsettling ways history is repeating itself, and who and what is to blame.
