This is the first book ever published in Alfred's Basic Piano Library, and it is still the most popular. It introduced a quick way to learn to read by recognizing music intervals of 2nds, 3rds, 4ths, and 5ths.

Because Alfred's Basic Piano Library is a course for beginners of all ages, it offers teachers four different and complete beginning piano methods that use the same interval approach and theory sequence, but are graded differently. Not only is the grading different, the illustrations, covers and course names are all different, allowing the ...
