Barron's SAT prep in general is an excellent way to get ready for both SAT general exam and SAT subject tests. Flash cards contain most words that one will need to learn and memorize. Every flash card has the description on the opposite side, several synonyms and is used in a sentence which helps a lot to the process of memorization.

I use flash cards while I am on the elliptical and these are difficult to use for that. Also, I was disappointed that only a fraction of the words I wasn't familiar with. I'm sure they are great for someone studying for the test, but for my purpose they were not.

But for someone just starting to get familiar with the basics of this test, these flashcards from Barron's will provide a solid introduction. Right now these cards are selling for \$9, which is a steal. Barron's is quickly becoming my go-to recommendation for affordable, competent test-prep books and flashcards.
