Architect of Elegance not only encompasses his most memorable works but also includes letters and drawings from the family archives never before seen by the general public. The foreword is written by Maybeck's granddaughter, Cherry Maybeck Nittler. Author Mark Wilson's 22-year friendship with Bernard Maybeck's daughter-in-law, Jacomena Maybeck, gave him unique insights into the life and work of one of America's most important architects.

The warmth and elegance of Bernard Maybeck's work has influenced countless American architects for more than four generations. His buildings include northern California landmarks such as the Palace of Fine Arts in San Francisco and the First Church of Christ, Scientist, in Berkeley, both featured in great detail here.
