Cooking delicious dishes has never been faster or easier. Tired of recipes with a dizzying list of ingredients that send you running from store to store? Those are not the recipes in this cookbook. Instead, we go gourmet the easy way by using shortcut recipes with affordable, tasty Trader Joe's sauces, doughs, prepped veggies, frozen foods, and other timesaving products.

Yay! I love Trader Joe's and I love this cookbook just as much. I also own the vegetarian cookbook by the same authors. Every recipe that I've made from both books has turned out to be easy, foolproof, and delicious.
