James Wilson 'In summertime village cricket is the delight of everyone' the English judge Lord Denning famously wrote, in a case brought by someone who clearly disagreed with him.

Do read the introduction entitled “cricket, justice and non-cricket” setting out a splendid short history of cricket as it appears in early law reports, including a curious case dating from 1598 which, apparently, contains the very first known use of the word “cricket”. These gems appear regularly throughout this impressive text, as Lord Judge testifies. Wilson then turns to specific cases from Victorian times onwards and the heat is on.
