

Download Dolls Puppeddolls Estelle Ansley Worrell

The book Dolls, Puppeddolls and Teddy Bears was written by Estelle Ansley Worrell. I had read it before in the library and decided that I needed my own copy. The book has many doll making patterns of different sizes, from dolls designed primarily for children, to fashion doll type, to patterns that echo the dolls of long ago. There are a lot of instructions and pictures, and easily understood patterns.
