According to the legends and sagas, Draugr were the ghoul of dead people - they looked like what we now know under the name of zombies or decaying corpses. They were like warriors from old times, armed with old weapons, and worn robes.

Draugr is zombies like figures from Viking mythology and folklore. They exist either to guard their treasure, wreak havoc on living beings, and torment those who had wronged them in life.

Draugr's Saga - Volume 1 by Hugh B. Long Tales of the Zombie Apocalypse in the Viking Age Back in Viking times, or more accurately, the Early Medieval period, the Draugr were an evil and malevolent force.

For fans of my Draugr's Saga tales, Chronicles of the Draugr King provides some back story and the legend behind the great evil Aedan and his Viking friends awoke. ABOUT THE SERIES: Set in Dark ...

Folklore . One of the best-known draugr is Gámr, who is defeated by the hero in Grettis saga. After Glámr dies on Christmas Eve, "people became aware that Glámr was not resting in peace.
