

Download I Am The Sky Yoga For Children

Yoga is a beautiful way to give your child greater strength, awareness of body and breath, quietness of mind and above all, joy! This book, with over 40 photographs of children clearly demonstrating each pose, along with the colorful, imaginative drawings, will inspire your child to join in.

My children love thumbing through the pages to find the poses they wish to practice. Without this book, I don't know how I would have gotten the kids into Yoga. We have a DVD for yoga also, but the book is more easily accessible for the children as well as more portable. Even for an adult just beginning Yoga, this is an excellent book. I highly recommend it for beginners, gym teachers, and parents.
