Intuitive Interpreting: A Spanish Medical Dictionary Mastered for the Professional Interpreter by Annalisa Nash Fernandez ISBN 13: 9780692362938

Intuitive Interpreting is the only dictionary that is practical on-the-job, where digital applications may be blocked, and complete medical dictionaries are too cumbersome. This is the only terminology resource a professional medical interpreter needs to work effectively in English>Spanish. Attach it to your clipboard and handle obscure medical terminology discreetly and efficiently.

I am new to medical interpreting and bought this to get up to speed with the most used terms, however i recently signed up with an agency, and i was required to translate a list of terms which seemed fairly common. For some that i wasn't so sure i intended to use this book and most terms i couldn't find, i ended up using wordreference.
