In Longing for Motherhood, Chelsea Patterson Sobolik speaks to these burdens specifically. She shares vulnerably about her own journey of childlessness and how she has ultimately come to view her story through the lens of Scripture and our hope in Christ. While remaining tender and empathetic toward suffering and longing, she discusses the comfort we have in knowing that the Lord is sovereign over all, and that His love is sufficient to carry us through any and every situation.

Longing for Motherhood provides a window on this suffering, which is totally unfamiliar to many people and which, indeed, may seem too heart-wrenching to even contemplate. However, looking at that suffering through the lens of the cross, as Sobolik does, enables us to find hope. The love of Christ enables us to be filled with empathy toward one another — so that we can enter into each other's stories and bear each other's burdens.
