By making these wooden toys you will create a unique toy for your kid. Wood is natural material that's not harmful, it doesn't brake and it's easy to maintain. Surfaces must be smooth and edges must be rounded, parts of the toys must be well embedded and glued so that they wouldn't fall off during use.

Grimm's makes sure all their wooden toys are safely sanded — most by hand (to take the quality up a notch) — and finished with a matte color glaze that sets into the wood, rather than sitting on top of it. This toy is extremely easy to clean after a bit of play; a damp cloth is all that's needed to restore it to its original condition. It's great for newborns on up to one-year-olds.
