We have such a good mix of traditional and modern German. There are no real books on modern German cooking. We were trying to show Americans that there's a different side to German food, that it's not all sausage, sauerkraut, schnitzel, and meat and potatoes. There are a lot more vegetables and lighter, cleaner flavors. I think our goal was to make people aware that there's much more to German food.

German food is rich, hearty and delicious and many top German dishes make great comfort food. Each region has its own speciality dishes and traditional cuisine, and your list of top 10 German foods can easily change from one city to the next.
