Anyone seeking a career in cosmetology will need to study and pass an exam before becoming a professional. This book is full of necessary information to do just that. It includes questions from exams in over 23 states. The entire text is outlined in an easy to follow step by step instruction with everything you need to know about cosmetology. Even a seasoned veteran should add this to their collection as a reference guide. Spend the money, it is worth it.

Topics like preventing infections, safety habits, styles and image are also covered. You can get a sense of the book and its presentation with the Look Inside feature - which I would recommend. It gives you a sample of how much information this book provides for the \$29.99 price tag. If you had to purchase a text book for each topic it would cost four times more.
