Southern Charm: Southern Charm—a series of books set in the town of Shore Breeze on the Florida Panhandle Coast at the edge of the Fairview Peninsula. The Charm is an antebellum B&B with a popular restaurant, Southern Delights. Though the Charm survived a hundred years, the last ten have been difficult on its survival—hurricanes, oil spills, and the economy. These are the stories of the men who live within and venture to the Charm to help save her and each other.

Reviewed by Brandilyn for Prism Book Alliance. On the green is a sweet addition to the Southern Charm series from Nicole Dennis. It takes place at the same time as many of the events in book two, however, so little progress is made in the overarching storylines such as the poisoning, mugging, power outage, etc.

I loved seeing characters we met in previous books come back to life so we know how they are getting along now, even though not a lot of time has passed. The B&B is coming back to life and that's good to see. A great series, full of Southern charm and lovely characters. I've now read them all, including #4, since I read it out of order and it compelled me to go back to read the others. I'm looking forward to #5, which the author assures me is in the works. Color me happy with that news.

The Secret to Southern Charm is the second book in my Peachtree Bluff series, and I can't thank all of my friends enough for all your support of book one, Slightly South of Simple.
