Student Activity Sheet: Investigating the Declaration of Independence Initial Examination 1. Write down key points and things you notice about the document.

The Preamble makes a monumental statement: "All men are created equal." Stop for a moment and think about how this idea would affect the role and purpose of government. We know historically that not all men and women were provided the same rights and protections by the government before or after the Declaration. But the idea that equal rights should be "self-evident" is central to the Declaration. This concept was what guided the Founders to develop a new form of government.
