I know it's not even Halloween, but I'm planning for Christmas already so I can give myself time to sew some gifts for my kids. As I mentioned earlier this week, the older your kids get the harder it is to find gifts you can make that they'll actually like.

This hands-on primer has everything you need to know to get started, including a list of tools, tips on shopping for fabrics, and an overview of basic techniques such as taking measurements and making hems.

Issuu is a digital publishing platform that makes it simple to publish magazines, catalogs, newspapers, books, and more online. Easily share your publications and get them in front of Issuu's ...

I did learn some from this book like how to; sew a button hole, lock my stitch, and turn my fabric on the needle. However, the drawn example were hard to understand. And a lot of the steps didn't have an example at all. And I don't like how there is no patterns in the book. you have to measure and make them your self. This can be very difficult for a beginner machine sewer like myself.

I love upcycling my old clothes into new cute clothes! Let me know in the comments if you like these DIY summer clothing hacks and tricks! What video do you want to see next?

It will explain everything you need to know to operate your machine. A serger is an optional sewing machine that can make homemade clothing much easier to sew, because it cuts, sews and edges seams all in one step. Threading a serger the first few times is a taxing process, so be patient while you learn to use your serger.

Places that'll instantly make you say, "bring me." Something for everyone interested in hair, makeup, style, and body positivity. [Share On facebook](#) [Share On vk](#) [Share On pinterest](#) [Share On ...](#)
