A real Italian bakery and grocery store. There is even an old school coffee bar with the most delicious array of coffees. My favourite is cafe latte in a tall glass with a long spoon. There are cold cuts, freshly baked pane and pannini, cheeses, olives and the list goes on to Italian laundry soaps, deodorants, cookies, pasta, olive oil.

Rustic bakery is a cool place to visit. I always order their pizza's although they have a variety of hot, cold and baked goods. Cool little Italian bakery with lots of grocery options. Our absolute favourite thing there is their white cheese potato garlic pizza. To die for! Every time I'm in that area I pick one up to take home.
