The range of controversial therapies and treatments for prostate cancer is greater than that of any other cancer affecting men. Many of the current books on prostate cancer suffer from considerable bias promoting one treatment over another without good scientific evidence.

Winning the Battle Against Prostate Cancer resolves the problem of contradictory and incomplete information. The book is an unbiased and up-to-date look at prostate cancer treatments and therapies. Dr. Chodak lays out the pros and cons of all reasonable treatment options including the chances that a man may have a good result or develop side effects or complications.
